

How to locate your Computer's Flash Player version

- 1) Go to Adobe's Find version webpage at <http://helpx.adobe.com/flash-player/kb/find-version-flash-player.html>
- 2) The test will run automatically in the background
- 3) On Adobe's site in step 2 it will list your version of Flash Player

2. Find the version of Flash Player installed on your computer

The Flash Player version installed on your computer and the operating system are displayed in the box shown below. Identify the version of Flash Player on your computer. Then go to [step 3](#) to check if you have the latest available Flash Player version for your operating system.

This box dynamically displays the following information:

Your Flash Player Version:	11.3.300.265
Your OS:	Windows 7 (64-bit)
Your Browser:	Mozilla Firefox

- 4) Add "Your Flash Player Version:" to the Contact Us form
- 5) Add "Your Browser:" to the Contact Us form
