

How do I locate the Question Text?

- 1) Log into your SimNet account
- 2) Open the Exam that you need assistance with
- 3) Find the Question Text using the example screenshot below. The Question Text is highlighted.

The screenshot displays a SimNet exam interface. At the top, a blue header bar contains the text "Exam 10111" and "Attempts Remaining 1". Below this, a "Question:" section is highlighted in yellow, containing the text: "Accept the highlighted change and automatically move to the next change. Reject the second change and automatically move to the next change." A red arrow points from this text to the Microsoft Word document below. The Word document is titled "medisport_brochure6.docx" and shows a brochure for "MediSport Clinic THE ULTIMATE SPORTS CLINIC". The brochure text includes: "Have you ever wondered who the top professional athletes go to when they get hurt? They come to the ~~doctors at the~~ MediSport Clinic. MediSport Clinic offers the latest and greatest in sports medicine technology. Our friendly staff is knowledgeable in the latest medical advancements for both professional and amateur athletes alike. We take the time to analyze each patient on an individual basis, considering all aspects of the healing process. We don't just look for the ~~quick~~ easy fix. Our doctors look for ways to help athletes continue to". The interface also features a "Question List" on the right showing "Question 1 of 26" and "Time Remaining 29:28". At the bottom, there are buttons for "End Exam" and "Help".

- 4) Enter the Question Text into the Contact Us form
